Coming Events:

Foursomes Championship/Judy & Lotte Hock Trophy. At the time of going to press we have 10 pairs booked to play in this event. More Ladies playing would be great!

As a consequence of falling membership it is feared we may have to cancel some events. The Weekend Foursomes scheduled for play on Saturday 8 and 15 June will not be played unless we can field a team of at least 8 pairs. Come on Ladies rally to the cause we need your support.

I'm sure you have noticed that the ladies field on a Thursday has dropped significantly. The Board of Directors have suggested that they are looking at opening the men's field up until 8.30am or possibly not blocking off specific men's/ladies times so you can slot in at whatever time you may wish & still play in your competition whether it be early morning or even the afternoon if you wish.

I can see no reason why the Ladies can't fit into the field as suggested. As It is Alan's competition and he finalises the results. I'm not sure we would have many Ladies in the afternoon but in winter they may like a later morning time. It's worth a try! My only fear is that this is setting precedence and we may lose our time slot on Saturday mornings if the Ladies membership is not supporting us.
