

LADY PRESIDENTS REPORT

The recent trivia night was very successful and it was great to see such a good roll up of members and a great MC, Mathew who made the evening great fun. There were quite a few "Einsteins" in attendance - more notably the younger ones on the Mens Captains table who won the event.

First prize in our Father's Day Raffle was won by Bob Quinn, with a guest at the trivia night, David, winning second prize (David certainly spent up big on tickets!) and third prize was won by Martyn the Chef at Beach Road Dining. We raised \$335 in total and a big thank you goes to everyone who made an effort to buy tickets. Also thank you to our Club Professional, Alan Berry, for the generous donation of a GPS and the club and Pam Nolan for the donation of wine.

Happy birthday wishes to Claire Dennett.

The Travellers Trophy at Riverside Oaks is fast approaching and Elizabeth Moore has as always organised everything to run smoothly. Two days of challenging golf and great company.

Steve Wannell and his amazing team of members are doing a wonderful job in laying the pavers behind the Pro Shop. It will totally transform what was a very untidy and messy area. Well done!

The weather conditions for last Saturdays golf were abysmal to say the least. The gale force wind combined with being blasted by sand made golf an absolute ordeal. The amount of sand blown across the fairways was incredible. Well done to the golfers who lasted the distance!

Great golfing and happy days always,

Joan Lester
